EDUCATION

VIT-AP University, Amaravati, Andhra Pradesh, India
Integrated M.Tech in Computer Science and Engineering

Sep 2023-Pres

SKILLS

Data Analysis & Visualization

- SQL (Joins, Aggregations, Subqueries)
- Microsoft Excel (Pivot Tables, VLOOKUP)
- Power BI (Dashboard Development, KPI Tracking, Data Visualization)

Programming

- Python (Pandas, NumPy)

Concepts

- Data Cleaning
- Exploratory Data Analysis (EDA)
- Data Modeling
- Basic Statistics
- Business Insights & Data Interpretation

Tools

- MySQL
 - Git & GitHub
-

PROJECTS

Financial Performance Analysis (SQL, Power BI)

- Performed data analysis on financial dataset to evaluate revenue trends, profit margins, and regional performance
- Built interactive dashboards for data visualization and KPI tracking
- Analysed 10,000+ records to identify profit drivers and loss-making segments
- Generated business insights and recommended data-driven strategies to improve profitability

Netflix Originals Data Analysis (SQL)

- Conducted data analysis on content dataset to identify genre trends and release patterns
- Used joins, aggregations, and filtering techniques for data extraction and reporting
- Generated insights on high-demand genres and content distribution trends

Health Monitoring Data Analysis (Python, SQL)

- Processed physiological sensor data (ECG, heart rate) for trend analysis and anomaly detection

- Classified signal quality (good/mod/bad) to improve data reliability
- Identified abnormal patterns to support real-time monitoring and data-driven decision-making

Sensor Data Collection & Labelling System – BFIT Project (Python, Arduino)

- Collected and structured multi-sensor data (PPG, ECG, respiration) for analysis
- Designed labelled datasets for analytical processing and machine learning readiness

Improved data usability for feature extraction and pattern recognition

CERTIFICATIONS

- SQL For Data Analytics

Apr 2025

LANGUAGES

- English: Professional Working Proficiency (Fluent in academic and technical environments).
- Malayalam: Native or Bilingual Proficiency.
- Hindi: Professional Proficiency (Strong skills in Reading and Writing).
- Tamil: Conversational Proficiency (Limited to Speaking and Understanding).
- German: Elementary Proficiency (Level A1).
